“MOTORS, MACHINES, MOTOR-RACES, LOVE OF CARS, PASSION OF VELOCITY. IT IS THE ILLNESS, THE VERY BEAUTIFUL AND MAD ILLNESS WHICH HAS REACHED THE WHOLE HUMANITY, WHICH HAS MADE OURSELVES THOSE ARDENT ADMIRERS OF WHAT IS MORE AND MORE SWIFT, OF WHAT IS MORE AND MORE MECHANICALLY PERFECT.”

CARLO ABARTH

CELEBRATING 70 YEARS OF PASSION.

A story of records and unimaginable innovation. A story of finish-lines crossed and memorable performances. From 1949 to today, Abarth has evolved but never changed. It remains synonymous with grit, incredible driving pleasure and sportiveness. A brand that continues to accept new challenges, creating one of a kind cars and delivering strong emotions, to whomever is behind the wheel. To celebrate these glorious 70 years, the new Abarth vehicles will display a distinctive mark, a celebratory badge that tells a story of passion.

PURE FUN IS OUR PATH.

**ITS NAME IS
FIVE-NINE-FIVE**

PERFORMANCE MEANS CHALLENGING THE STRONGEST AND BEATING THEM.

595, the signature that identifies the small and wicked Scorpion. A range of vehicles with different personalities, yet unmistakably Abarth. Maneuverable, aggressive and daring. Cars that embody the spirit of, "always quicker and mechanically perfect." These automobiles feature a level of technology and performance that aims to deliver an unrivaled driving experience.

GRIT IS A MATTER OF STYLE.

For Abarth, grit is on front and center. Every model of the 595 is the product of research, even in its design. Lines that combine sportiness with refinement, details that either accentuate grit or elegance. Boasting lowered trim, spoilers, miniskirts, exhaust tips, rims, seats, leathers, colored accents, satin finishes and stickers. Within every car is an unparalleled balance of style. Whatever model is chosen, everyone can find their own unique way of experiencing and being Abarth.

ABARTH

70

A large gathering of Abarth cars and enthusiasts at a meet. The scene is filled with numerous Abarth cars, including the iconic Abarth 500, parked in rows. People are seen walking around, talking to each other, and looking at the cars. In the background, there are yellow barriers and a large black banner with the Abarth logo. The overall atmosphere is one of a car show or a community event.

The specification (B) indicates the value of CO₂ and fuel consumption determined on the basis of the measurement / correlation method referring to the NEDC cycle as per Regulation (EU) 2017/1152-1153.

The CO₂ and fuel consumption values obtained according to applicable regulation are indicated in order to allow the comparison of vehicle data. The homologation values of CO₂ and fuel consumption may not reflect the actual values of CO₂ and fuel consumption, which depend on many factors related, by way of example but not limitation, to the driving style, the route, the weather and road conditions, the condition, use and equipment of the vehicle.

The indicated value of CO₂ and fuel consumption refers to the versions of the vehicle with the highest and the lowest values. Those values may change with the subsequent configuration depending on equipment selected and/or size of tires selected. The indicated values of CO₂ and fuel consumption are not definitive and may evolve as a result of changes in the production cycle; more up-to-date values will be available at the selected official dealer of the FCA network.In any case, the official values of CO₂ and fuel consumption of the vehicle purchased by the customer will be provided with the documents accompanying the vehicle. In cases where the values of CO₂ and fuel consumption are relevant for the purposes of calculating taxes and duties related to the vehicle, reference should be made to the applicable laws in each country.
